**Supplemental Response to First Office  
Action**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

This Supplemental Response is filed in further response to the first Office Action in the above-captioned patent application mailed on July 3, 2006, to which a response was timely filed with a one-month extension of time on October 31, 2006. Thus, no further extension of times is necessary.

Applicant greatly appreciates the Examiner's time and assistance with this matter, and thanks the Examiner for the courtesy extended to Applicant in an Examiner interview on December 13, 2006, to discuss proposed claim amendments.

The claims are listed beginning on page 2 of this paper.

Remarks are set forth beginning on page 14 of this paper.
